STRATEGIC UPDATE

A NEW ERA. A STRONGER FOUNDATION. A GLOBAL FUTURE.

STRATEGIC HORIZONS

Transitioning to IFRS-compliant audits and formal Deloitte valuation to drive proper price discovery.

NEXT-GEN TECH

Proprietary Ecosystem
Exclusive kettle tech nano-extraction
paired with a Real-World Asset (RWA)
tokenization platform.

STRATEGY IS BUILT ON SOLID FOUNDATIONS.

Bridging Botanical Therapeutics and Digital Liquidity

The Biotech Foundation

- Research, testing, and development of highly bioavailable botanical formulations
- Live-plant extraction addressing global wellness needs

The Digital Frontier

- Transforming Real-World Assets (RWAs) into globally scalable digital tokens
- Unlocking unprecedented capital flexibility

THE FOUNDATION OF FINANCIAL DISCIPLINE

Typical Micro-Cap		The TXTM Standard
Executive Salaries	✗ High corporate drain	✓ \$0 Paid (From inception to date)
Debt Levels	✗ Heavily Leveraged	✓ Zero Debt Maintained
Shareholder Dilution	✗ Reverse splits common	✓ ZERO Reverse Splits (Protecting shareholder value)
Insider Action	✗ Selling into volume	✓ Aggressive Accumulation Only

A cap structure designed so every dollar of growth flows directly to intrinsic shareholder value, not corporate overhead.

Custodial Wallet Pilot Program

These specific banking arrangements enable frictionless foreign direct trade and create the necessary infrastructure for an incoming influx of foreign equity capital.

THE INNOVATION ENGINE: PROPRIETARY KETTLE TECH

PHYSICAL ASSET

Live-plant botanical raw materials.

PROPRIETARY KETTLE & NANO-TECH

Application of proprietary nanotechnology to maximize extraction efficiency.

EXPONENTIAL BIOAVAILABILITY

Radically faster absorption and enhanced efficacy of Active Pharmaceutical Ingredients (APIs).

This exponential increase in API bioavailability creates the physical assets required for the next phase: Digital Tokenization.

THE DIGITAL TRANSFORMATION OF REAL-WORLD ASSETS

CAPITAL FLEXIBILITY

Unlocks fluid movement between traditional and decentralized finance.

HIGHLY LIQUID DIGITAL TOKENS.

Removes traditional barriers for asset commercialization.

NEW REVENUE STREAMS

Pioneers a transformative shift in how APIs are handled, valued, and monetized in the pharmaceutical sector.

CAPITALIZING ON GLOBAL FOREX TAILWINDS

THE MECHANISM

Strategic positioning allows ProText to capture immense value as the USD weakens against the ZAR.

THE IMPACT

This favorable foreign exchange dynamic directly translates to increased international revenue generation and strengthened bottom-line profit margins, separate from core operational growth.

BUILT ON SUSTAINABLE ESG PRINCIPLES

E

Zero-Waste & Carbon Integration.

Aggressively integrating carbon credits directly into the RWA tokenization system.

S

Global Wellness.

Advancing accessible plant-based therapeutics to support global health and economic recovery.

G

Unwavering Transparency.

Strict adherence to shareholder protection, zero-dilution policies, and transitioning to global auditing standards.

ELEVATING SHAREHOLDER COMMUNICATION & TRANSPARENCY

New Corporate Web Presence

Launching an integrated Investor Relations suite designed for real-time shareholder communication and engagement.

Real-Time Financial Access

Moving toward voluntary EDGAR compliance, reinforcing best-in-class corporate governance and ensuring all investors have immediate access to critical data.

A PERFECTLY POSITIONED GROWTH ENGINE

ProText Mobility is aggressively closing the massive gap between the current market price and the true intrinsic value of the company.
